

EYEWITNESS BLUES BAND STAGE PLOT

A Equals 110VAC power outlet for amplifiers and effects pedals.

Vocal Microphones are with stands. For certain events, we may require a fourth vocal mic at the front of the stage, to accommodate special guest vocalists. Please see Technical Rider for further information and requirements.

Please contact Doug Sovern at 510-333-7887 or sovern@kcbs.com with any questions or concerns.
